

WE NEED YOUR SUPPORT

The Challenge

I am taking part in a 2 day, 193km off-road mountain biking challenge to raise money for St Oswald's Hospice.

The money we raise will go to fund specialist beds for the Children and Young Adult Service.

St Oswald's Hospice

St Oswald's Hospice provides specialist palliative care to children, young people and adults with life-limiting conditions in the North East of England.

They treat approximately 2,000 patients a year, with annual running costs exceeding £11m. Of this, over £7m must be raised through voluntary giving. No charge is made for the services provided ensuring hospice care is available to all.
