Education and Qualifications

2012 – 2015 University of Example
Example Engineering BSc (2:1)

Modules Included: Earth Materials IT communication, Field and Laboratory Skills, Earth and Ocean Systems, Introduction to Mathematical Methods Electricity and Magnetism and Relativity, Dynamic Earth Waves, Light & Quanta Structural Geology, Exploration Geophysics, GIS and Remote Sensing Physics.

2010 – 2012 Example Sixth Form, Durham
A Levels: Physics, Mathematics, English Literature, Psychology

2005 – 2010 Example Comprehensive School, Durham
GCSE's: 9 grade A-C including A* in Mathematics

Skills Profile

- Practical work experience within a built environment consultancy, including assisting with technical drawings (CAD & Revit) and engineering calculations.
- A strong understanding of physics, maths and the principles and application of geotechnical engineering solutions, as well as a natural aptitude for problem solving, data interpretation, and strong research skills.
- A critical awareness of developments in geotechnical and geo-environmental sciences.
- Knowledge and appreciation of accepted industry protocols, methods, codes and standards, including and understanding of appropriate research conduct and ethics.
- A strong sense of collaboration and teamwork, and the proven ability to communicate effectively with colleagues and peers.
- Advanced proficiency in MS Office Suit, MS Outlook, MS Project and Windows OS.

Work Experience

June 2015 – Present Work Experience, Example Engineering Company, Durham

- Geometrical survey of two existing school buildings (global geometry and geometric characteristics of the structural elements).
- Non-destructive tests to assess the mechanical properties of the concrete (cover meter, accelerometer and ultrasonic pulse velocity tests).
- Non-linear analyses and seismic safety evaluation of the building.

December 2014 – May 2015 Customer Service Assistant, ABC Supermarkets & Co, Durham

- Resolve customer complaints via phone, email, mail, or social media.
- Use telephones to reach out to customers and verify account information.
- Greet customers warmly and ascertain problem or reason for calling.
- Assist with placement of orders, refunds, or exchanges.

Interests and Further Information

Sport: I have been a committed member of the badminton team throughout university. I enjoy aerobics and cross country skiing.

Travel: I enjoy experiencing new cultures and have travelled to various parts of Europe and America.

Other: Italian films, Modern Literature, watching football.
